

Comments from 1998 Wings Easter Party

I came to the Wings Party today because:

- God died for us.
- I was invited and I heard that we were going to play games.
- I wanted to do arts.
- I came because God died for us on Easter.
- I was invited.
- I was told about Wings by people at Holy Family. I wanted to bring my family.
- I wanted to be with special people, God's people. I came to my first Wings Party at Christmas and I loved it. I'm back because it is awesome!
- Share some time with the children of a friend and have a safe outing.
- Ann came over to be our hostess for Parenting Night and was kind enough to invite us all. Thank you! (Woman from the Women's Shelter in Albuquerque)
- I came for my dad.
- God died for us on this day.
- My Sunday School teacher invited my whole youth group and I thought it would be fun. THANK YOU FOR HAVING ME!

The highlights of the party for me were:

- Games for kids. Communication and information for me.
- The worship. We have not been in church in 5 weeks.
- That people here were all very nice and very helpful. The games were a lot of fun.
- Being with my children and seeing their smiling faces during the table games. (Spoon Hanging)
- The singing.
- Laura, Anthony, Alica, Nathan Danica, Linda and Delores.
- The singing and the reason it was for.
- Eating.
- Meeting everyone, homemade chili and brownies.
- Watching the children enjoying themselves.
- Singing, Bible study and the talking at the dinner celebration.
- Singing, preaching, and sharing a meal.
- To meet people.
- The arts and crafts and coloring the eggs.
- The food, games, and preaching.
- That Jesus is there for all of us no matter who we are.

Comments about *Guidepost Magazine* from Guests:

- We really appreciate the gifts from *Guidepost* that I could never afford myself!
- Ann gave us 3 issues of *Guidepost* and one *Angels*. I devoured them all in one night. They are fantastic. THANK YOU.
- *Guidepost* has been very interesting to me because they have a lot of good stories and help me as they are similar to what I've gone through. They really make you rejoice.
- *Guidepost* was shared with me by my sister-in-law. It is a wonderfully inspiring magazine.
- They are very helpful to me and my child.
- I like *Guidepost* because of how helpful they are.
- The stories and activities have life application and the testimonies are encouraging.
- It has so many testimonies. Have to read them. All my family reads them in the house.

Comments about *Guidepost* materials from volunteers:

- I like the gifts because I was able to share them with people who needed them the most. It made a difference especially since they were not able to make the party.
- It would be wonderful if *Guidepost* could send their magazines to the (prison) chaplains. Contact Mike Toms at (505) 827-8710 for a list of chaplains. (From Marie Porter, New Mexico Corrections Dept.
