**Comments – Wings Party**

**I came to the Wings Part today because:**

1. I wanted to meet some members of the Wings Fellowship and learn more about the Ministry.
2. I think God triggered on my heart.
3. I love to serve Jesus and those whose family members are in prison.
4. I wanted to be a part of ministering to the families of inmates, especially the children!
5. I have come to another party!
6. I love when they talk about Jesus.
7. I love Jesus and I care for his life.
8. I wanted to celebrate Jesus has risen.
9. It is the best way I know of, to be with Jesus and others.
10. I enjoy having a good time with all the different people.
11. I thought it would be fun for me and my kids.
12. I like to make people feel happy.
13. To sing and pray to God.
14. I love to see the families having a good time.
15. It gave me a chance to be with other people who are going through the same as me.
16. I came for the people, and to be able to help out.
17. We have come a lot.
18. I enjoyed it last year and had a good experience. I also wanted to set a good example and be a role model to young kids and other teens.
19. I always come.
20. My wife and family.
21. I'm a volunteer and enjoy them a lot. I have a son in prison.
22. I wanted to help.
23. I belong to the Foster family.
24. I had always wanted to help and Jim Harmon's talk on Sunday really gave me the push needed.
25. I was invited by Ann and/or friend or family member.
26. I was curious.
27. I was told to - because my Dad said.
28. I saw a flyer and it sounded like fun and a good cause.

**The highlights of the party for me were:**

1. The powerful, moving presentation of the Pastor's Easter story.
2. Interacting with others, helping the children during crafts, and sharing.
3. Talking with family members who struggle with separation from love ones.
4. Visiting with a Grandfather and his Grandson.
5. Music, story of Jesus, pizza
6. The worship team, the dancers, Jesus gift that he has given us today.
7. Character Bible message - The man dressed up.
