Dear Sir or Madam,

My name is Joey Stuckey. I am a blind musician in Macon, GA.  
I met Ann Edenfield, through ordering some books on tape from Americana Publishing.

I was instantly impressed with the remarkable spirit Ann has and how much she has to offer others that need a human light in the darkness. She is truly the light of the world!

Over the course of my getting to know Ann she told me about the Wings Ministry. I was amazed with her vision, intelligence, warmth and passion.

She brings all this to the Wings Ministry.

I have been proud to know her and the other remarkable people involved with this project.

If ever we needed to have something like Wings, it's now.

I have pledged to give my support to Wings in any way I can, and I urge any one that be leaves in helping other to no Christ and the grace he can bring to support Wings in its noble work.

Sincerely,

Joey Stuckey
