Why is a program like Wings so necessary today?

- The American recidivism rate is around 67%.
 - Over 50% of children with incarcerated parents never visit their parent in prison.
 - 95% of all inmates are released.
 - New Mexico spends \$330/day to incarcerate one juvenile (\$120,000/year)
- If current trends continue:**
- 1 in 15 Americans will be incarcerated in their lifetime.
 - 7 of 10 children of prisoners will be imprisoned.
